PHILADELPHIA

Dear Honorable Butvydas Bard,

I would like to express my sincere gratitude to you for your outstanding leadership and gracious support during my recent visit to the City of Philadelphia.

Your assistance to Namibia's Honorary Consul, Mr. Michael Griffin, was instrumental in ensuring the success of our programme. I am particularly appreciative of the close cooperation and coordination that helped create such a warm, dignified, and memorable experience for me and my delegation.

Please accept my heartfelt thanks for your efforts in encouraging members of the Consular Corps Association of Pennsylvania to attend the cocktail reception held in our honor. Their presence and engagement added great value to the occasion and contributed meaningfully to the spirit of international goodwill and partnership we hoped to foster.

I was also deeply touched by your personal generosity, especially the beautiful flowers that welcomed me upon our arrival at the airport. Such thoughtful gestures reflect not only your kindness, but also your deep commitment to diplomatic service and friendship.

Namibia is grateful for your support, and I look forward to opportunities to welcome you to our country in the future, where we may continue to strengthen the bonds of cooperation and shared purpose.

Yours sincerely,
